I have carefully inspected the following items and found them to be in excellent condition. If after initial screening/acceptance, Spirals staff discover overlooked defects, e.g., moth holes, stains, cat hair, mildew spots/odor, etc., items are donated at store discretion. Items that must be repaired/cleaned may go on floor but will be exempt from consignment split. If I wish to retrieve any of my consigned items, it is *my responsibility* to find them in the store and pick them up within 45 days from the date indicated on this agreement. **On the 46th day, all unsold items automatically become the property of Spirals. Spirals is not responsible for any lost, stolen or damaged items. LEAVING MY CONSIGNMENT ITEMS DESIGNATES ACCEPTANCE OF SPIRALS CONSIGNMENT POLICY. (See separate Policy Sheet)**
