

Farmer's Market

Thursday, March 23rd

California Connect (formerly California Phones) will have a display of their latest models in The HUB Café during Market Day. Be sure to stop by and see what they have to offer.

A promotional graphic for Market Day. It features a background of fresh produce including grapes, apples, oranges, raspberries, and lemons. The text is overlaid on a light wood-grain background. A purple circle contains the text "front porch". The main title is "Market Day" in a large, serif font, with "CREATING COMMUNITY" underneath. Below that is "The HUB - Alliance on Aging". The event details are listed: "WHEN: 2nd and 4th Thursday 10am - 12pm" and "WHERE: The HUB - Alliance on Aging 236 Monterey St., Salinas". A blue heading "Come Shop With Us!" is followed by two bullet points: "❖ Fresh Affordable Farmer's Market Quality Produce - Only Cash or EBT Accepted" and "❖ Convenient & Easy Access". A italicized line of text reads "Market Day promotes wellness and provides social connection in your community." At the bottom, a note says "***Bus Passes and Taxi Vouchers available! If you have an issue with transportation, please call 831.646.4931 or 831.646.5060".
