

WE NEED YOU!

DO YOU KNOW SOMEONE EXPERIENCING COGNITIVE DECLINE?

We are studying the impact of socialization on those who are experiencing cognitive decline and belong to communities of color.

Participants will:

- Interact with students over the course of six (6) months for about an hour each time
- Answer questions about your background, family, and personal information
- Help us learn more about the effects of socialization on cognitive decline

Participants will receive:

\$100 gift card
