

February Art Project: *Keepsake Tins*

**Join us for a Memorial Art Workshop
Facilitated by Lori VanMeter**

(No advanced skills or experience necessary)

Decorate a re-purposed mint tin to carry and display your favorite images and small items wherever you go.

We'll provide the tins and basic tools/supplies, plus loads of materials such as fabrics, paints, polymer clay, colored papers, trimmings and "bling." Bring along any images, fabrics and/or objects you would like to feature in your design – for photos, we'll photocopy them for use on your tin and you'll keep the unharmed original. You can also bring stickers, stamps, objects, or other tools/supplies of your own that you would like to use.

**You will have the entire month to work on this project.
You can come to one or all of the classes.**
