#### **Volunteer Confidentiality Policy**

Volunteers are responsible for maintaining the confidentiality of all proprietary or privileged information to which they are exposed while serving as a volunteer, whether this information involves a single member of staff, volunteer, client or other person or involves the overall business of the Alliance on Aging. I understand that any privileged information I gather at the Alliance on Aging in the course of my volunteer work will be treated in the strictest of confidence.

#### **Volunteer Conflict of Interest Policy**

The Alliance on Aging believes that older adults, their families, and volunteers should be the driving force behind the organization. The agency's first priority is the wellbeing of seniors and their families.

To assume a volunteer position at the Alliance on Aging, an individual must meet the requirements for that specific volunteer position. Because some volunteer positions involve extensive interaction with clients and their families at times when they are very vulnerable, it is our desire to provide them with objective information and referral.

The Alliance on Aging's use of volunteers does not in any way endorse the volunteer's place of employment, personal business or personal interest. In order to preserve the spirit of this policy, we ask that any volunteer whose place of employment, personal experience or business that provides health care, social service, respite or other services to seniors or their family members refrain from:

- Using his/her involvement as a volunteer when formally or informally marketing their services to potential clients
- Soliciting clients through any phone/personal interactions or at any support or education program sponsored by the Alliance on Aging.
- Distributing marketing materials at any event or education program including business cards, brochures, magnets, pens etc.

• Utilizing names of participants of any event or program sponsored by the Alliance on Aging, outside of that event or program, for the purpose of marketing themselves or their place of employment.

I have read the above stated Confidentiality Policy and Conflict of Interest Policy and agree to adhere to the policy guidelines required to be an Alliance on Aging volunteer.

It is incumbent upon the Alliance on Aging to provide an evaluation of a volunteer's service and assignment of volunteer activities when appropriate.

I also understand that in order to volunteer, I may be expected to participate in an orientation and/or training meetings as required. As a volunteer I have also been made aware the Alliance on Aging strives to maintain an environment comfortable for all.
