

Sip, Savor & SUPPORT SUNDAYS

WITH ALLIANCE ON AGING

We invite you to join us for Sip, Savor & Support Sundays, a welcoming community gathering benefiting Alliance On Aging and the essential programs and services that empower older adults throughout Monterey County. Spend a relaxed Sunday enjoying thoughtfully prepared small bites, local flavors, and meaningful conversation in a warm, art-filled setting.

This event is an opportunity to connect with friends, supporters, and partners while learning more about how Alliance On Aging supports independence, dignity, and well-being for older adults in our community.
